

Defense Industry: Restructuring Costs Paid, Savings Realized, and Means to Ensure Benefits: Nsiad-99-22

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Pursuant to a legislative requirement, GAO provided information on: (1) the six business combinations for which the Department of Defense (DOD), as of September 30, 1998, had certified that the projected restructuring savings should exceed associated restructuring costs; and (2) on a seventh combination, Hughes Aircraft Company's acquisition of General Dynamics missile operations. GAO noted that: (1) in April 1998, GAO reported that DOD estimated it would save a net of \$3.3 billion between 1993 and 2000 from restructuring activities carried out by the seven business combinations; (2) GAO also reported that DOD estimated it had realized savings of about \$1.9 billion as of August 1997, or more than half of the expected savings; (3) now, DOD estimates it has realized savings of about \$2.1 billion, or 64 percent of the expected savings; (4) while GAO determined that selected restructuring activities had lowered the operational costs of the business combinations by hundreds of millions of dollars, it was not feasible to develop a methodology for precisely determining how contract prices were affected; (5) to make such a determination requires isolating the impact of restructuring from nonrestructuring-related factors, such as changes in business volume, quantities purchased, and accounting practices; (6) DOD, the contractors, and GAO were not able to isolate the effects of restructuring from those of other factors; and (7) however, other methods exist through which DOD can ensure that it receives its equitable share of restructuring savings in a timely manner.
