Excerpt: . spelled out, are too long and necessitate a change in type, it is best to abbreviate uniformly. A supply of 300 to 500 sheets are generally sufficient to order at one time; if, however, 25 or more sheets are used per month, 1,000 may be ordered. It is not advisable on the first order to stock heavily as certain defects may show up which demand revision on the next lot; if a large stock is on hand the mistakes will not be remedied promptly. I have found that a folder in the correspondence file helps in preparing forms. As improvements or changes are suggested, I file a note of it in this folder. At the time of reordering, this tickler is referred to, and all needed corrections are made. How to design a new bookkeeping form How to save cost and prevent mistakes How many formf should be ordered at one time?
