## ISTORIA DEL CONCILIO TRIDENTINO (5 )

DOWNLOAD

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 60 pages. Original publisher: Washington: U. S. G. P. O. , 2008. LC Number: KF26 . A765 2008 OCLC Number: (OCoLC)261396363 Subject: United States -- Armed Forces -- Recruiting, enlistment, etc. Excerpt: . . . 11 professions. With the help of an increase in the Nurse Corps accession bonus to 30, 000, we are currently 30 percent ahead of last years very successful recruiting season. Enhanced direct accession bonuses for medical doctors and dentists and a 20, 000 accession bonus for medical student programs have contributed to our identifying 35 percent of our accession goals to date compared to 21 per-cent this time last year, keeping us on pace to make all Active officer accessions in fiscal year 2008. The Reserve officer market continues to pose significant challenges. Faced with an accession mission requirement for 72 percent prior service personnel, we achieved just 52 percent of the overall 2007 accession mission. Accordingly, we reduced our 2008 prior service requirement to 51 percent of the accession plan in many designators and implemented several initiatives, such as a 10, 000 affiliation bonus and 2-year mobilization deferment, to attract prior service sailors to the Reserve component. Thus far in 2008, weve attained 36 percent of non-medical Reserve officer, compared to only 51 percent for the entire fiscal year in 2007. In Reserve medical recruiting, weve attained or selected 53 per-cent of our annual goal so far, compared to only 57 percent for all last year. With your continued support, Im confident we will be able to continue in the successes we are currently enjoying and in addressing existing shortfalls. I thank you for your unwavering support for Navy recruiting and I look forward to responding to your questions. The prepared statement...
