Brand New Book ***** Print on Demand *****.What would happen if every child was able to receive an education tailor made for their strengths and weaknesses? What would happen if every child was treated as an individual and not just a data entry on a test result spreadsheet? Education in America is now at risk more than at any other time in our history. One needs to look no further than the history of early American schools as well as the unchanging instructional principles employed by Jesus to understand not only how we should teach, but more importantly, how students truly learn. When unchanging Biblical truths are coupled with proven educational values, life-giving transformation can occur for every student. If educators choose to accept and implement the irrefutable evidence contained within these pages, an unquenchable fire for true educational reform will surely be ignited. Jason Yarbrough...
