

Jersey Devil

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Kensington Publishing, United States, 2016. Paperback. Book Condition: New. 171 x 105 mm. Language: English . Brand New Book. "Old school horror." Jonathan Maberry THE LEGEND LIVES Everyone knows the legend of the Jersey Devil. Some believe it is an abomination of nature, a hybrid winged beast from hell that stalks the Pine Barrens of southern New Jersey searching for prey. Others believe it is a hoax, a campfire story designed to scare children. But one man knows the truth . . . THE DEVIL AWAKES Sixty years ago, Boompa Willet came face to face with the Devil and lived to tell the tale. Now, the creatures stomping grounds are alive once again with strange sightings, disappearances, and worse. After all these years, Boompa must return to the Barrens, not to prove the legend is real but to wipe it off the face of the earth . . . THE BEAST MUST DIE Itll take more than just courage to defeat the Devil. It will take four generations of the Willet clan, a lifetime of survivalist training, and all the firepower they can carry. But timing is critical. A summer music festival has attracted crowds of teenagers. The woods are filled with tender young prey. But this time, the Devil is not alone. The evil has grown into an unholy horde of mutant monstrosities. And hell has come home to New Jersey . . . *Raves for The Montauk Monster* "A lot of splattery fun." *Publishers Weekly* "Frightening, gripping." *Night Owl Reviews*.
