Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Mose Skinner s Great World s Jubilee and Humstrum Convulsion Music is a Divine art, but the shining lights in the musical world are not appreciated. The man who can successfully wrestle with a trombone, must be inspired; and he who by close study and unremitting self-denial obtains the mastery of that noble instrument, the hand organ, should be cherished as a genius. There are plenty of good and honest men in the community to day, and men of talent, but how few, alas! would make good bass drummers. And the artist who can draw tears from our eyes with that affecting combination, the bag-pipe, is fast becoming no more. What then can be said for a man who is capable of transforming the whole civilized globe into a music box for three weeks? Who can sit astride the equator, and use the longitudinal and latitudinal lines for strings to a gigantic humstrum; the North Pole for a fiddle-bow, and the Sun for a calcium light? Nothing short of a statue on the dome of the State-house, and a checkered vest and bosom pin for his third bridal tour, will satisfy him, for his name will be handed down, and his wax figure exhibited, not only to Posterity, but to all those who may come after Posterity has passed away. Adieu. My wife wants the table to iron on. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
