Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This collection of original love poems uses three poetic formats - sonnets, free verse, and rhymed verse. The poems attempt to capture the meaning of love and express the essence of it. Moreover, the poems create a vivid image in the mind of the reader through the use of figurative language, such as extended metaphor. The themes range from never-ending, ideal love to the physical attraction that accompanies it. While the poems express the poet's individual view of love, they also present themes that are universal in scope.
