Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

So at the age of fourteen Lemon entered the telegraph service of the Pennsylvania Railroad. He afterwards became an operator of the Western Union Telegraph Company, and was employed in Trenton, N. J., Harrisburg. and at 195 Broadway, New York. He joined the ranks of the Baltimore and Ohio Telephone Company when that company was formed and remained until it was absorbed by the Western Union. He was appointed chief operator of the Postal Telegraph Company in Indianapolis in 1887. He resigned this post a year afterward, however, to install a quadruplex apparatus on the Northern Pacific Railroad in Montana. He became manager of the Postal Company in Baltimore, Md., in 1890, also serving as superintendent of the City Fire Telegraph Department. He rebuilt the plant and station while he held this office. He was promoted to be superintendent of the Postal Company in 1891:), and transferred to Philadelphia three years later as superintendent of that district. It was during this period that the disastrous Baltimore fire occurred. For hours the city was cut off from telegraphic communication with the outside world. Repairs to the lines were finally made, however, and messages were exchanged with New York and Philadelphia, Lemon having opened an office in a shop outside the fire lines. He was made division superintendent of the Eastern Division of the Postal Company, with headquarters in New York...
