This I Need To Know is one writer s view of the descent of the western literary tradition. Writers and artists are but the scaffolding upon which our common literary heritage is built. Each of us places a brick in the edifice and then fades away, leaving the structure enriched to the extent of the individual contributions. Appendix I is the author s play Oedipus on 11th Street with a teaching guide that is both entertaining and valuable when teaching Oedipus in the classroom. Appendix II is the author s play Cannibals with teaching guide, based on the trilogy The Oresteia by Aeschylus. The play is an example of the adaptation of a classic Greek drama to the modern theater written in a pseudo-classical style.
