

Sentimental Masculinity and the Rise of History, 1790-1890

By Mike Goode

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2014.
 Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Mike Goode challenges received accounts of the development of modern historical thought, arguing that, in Romantic and Victorian Britain, struggles over historical authority were as much disputes over the nature of proper masculinity as they were contests over ideas and interpretations. Drawing on primary materials from such diverse fields as political economy, moral philosophy, medicine, antiquarian study, and visual satire, Goode uncovers a Romantic historical tradition - one most influentially realized by historical novels - which held that historians must be manly and sentimental in order to understand history properly. Goode further shows how and why, by later in the nineteenth century, the bodies and feelings - but not the gender - of historians came to be regarded as irrelevant to their scholarly projects. The result is an unconventional account of the rise of history, one that focuses more on novelists, political philosophers, and caricaturists than on historians.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- **Felicia Nikolaus**

These sorts of ebook is the ideal book offered. It can be writter in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
