Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

SHOPGIRL: A NOVELLA

Hyperion Books, United States, 2006. Paperback. Book Condition: New. Reprint. 168 x 104 mm. Language: English . Brand New Book. One of our country s most acclaimed and beloved entertainers, Steve Martin has written a novella that is unexpectedly perceptive about relationships and life. Martin is profoundly wise when it comes to the inner workings of the human heart. Mirabelle is the quot;shopgirlquot; of the title, a young woman, beautiful in a wallflowerish kind of way, who works behind the glove counter at Neiman Marcus quot;selling things that nobody buys anymore . . .quot; Slightly lost, slightly off-kilter, very shy, Mirabelle charms because of all that she is not: not glamorous, not aggressive, not self-aggrandizing. Still there is something about her that is irresistible. Mirabelle captures the attention of Ray Porter, a wealthy businessman almost twice her age. As they tentatively embark on a relationship, they both struggle to decipher the language of love--with consequences that are both comic and heartbreaking. Filled with the kind of witty, discerning observations that have brought Steve Martin critical success,Shopgirl is a work of disarming tenderness.
