Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

Createspace, United States, 2014. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Her Royal Romance book #1 Time is running out for Prince Vittorio. His father's health is failing and he must find a royal bride. Fast. He's never forgotten his glimpse of a beautiful Scandinavian princess and lures her to his Mediterranean country with an invitation to his father's birthday ball. He'd planned to propose a marriage agreement as cold as her icy reputation, but then he discovers she's as colorful and warm as a summer sunset. The heat between them flares red-hot and when she allows him to seduce her, Vittorio sees his future unfolding just as he had planned. But what he doesn't know is that the woman in his bed is not a princess at all. The last thing schoolteacher Mia Holmberg expects when she masquerades as her royal cousin is to be swept off her feet by a charming prince. The incredible night in Vittorio's arms is like a fairy tale come true, but she'd never want the life of a real princess, with all its pomp and politics. Knowing they can never have a future together, she slips out of his bed and back to reality, where she belongs. But Vittorio discovers the deception and kidnaps Mia back to his palace, demanding she be his mistress until the real princess appears. Despite her attempts to stay aloof, Mia soon learns there's more to the prince than arrogance and attitude, but now she's in danger of falling in love with a man she can never have.
