

I falò dei saraceni. Le avventure di un giovane archeologo errante nell'Asia.

By Pinelli, C Alberto

Edizioni Sabinae, 2013. Book Condition: new. Cantalupo di Sabina, 2013; br., pp. 233, cm 15x21. Il protagonista di questo romanzo semi autobiografico è un giovane poco più che ventenne, diviso tra l'entusiasmo per la ricerca archeologica e il richiamo irresistibile degli immaginari falò che lo attirano verso altre e rischiose esperienze. La vicenda, ambientata nell'Anatolia orientale degli anni 60, pone il giovane di fronte a un bivio esistenziale sul quale sembrano riflettersi specularmente due contrapposte storie sentimentali. Ne sono protagoniste una focosa ragazza turca, poco più che bambina e una bella e indecifrabile studiosa italiana. Intorno a loro si muove una eterogenea squadra di archeologi, incaricata di scoprire cosa si celi sotto la superficie di una enigmatica collina artificiale. Quando irrompono sulla scena due improbabili amici cineasti il racconto si trasforma in una martellante serie di avventure e disavventure, dietro alle quali emerge il problema dell'irredentismo delle popolazioni kurde.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.
