Just as the Kings of the biblical days, we as a nation expect our government to rule the nation with integrity, intelligence, humility, and strength. Our country suffered wrongfully because of ill intentions of our government. When put in authority, I believe when given the opportunity to make a difference in the lives of others, one should maintain his/her demeanor. Can our nation ever heal? Will we ever bounce back from the political strain that has plagued our nation? My name is Callie Carol Rodgers Jones. I was born and raised in Williamston, NC. I currently reside in Washington, NC. I am a wife of thirty-nine years. I am a mother of seven children, four sons and three daughters. I love God! I am strong believer in dreams and visions. I have a deep concern for the well being of others. My heart's desire is to make a difference to all whom I can reach through love.
